

50 things to do before you're 8

At St John's Infant School, we have come up with a list of 50 things to do before you're 8. It contains ideas of activities and experiences that we think all children should have had the opportunity to do before they leave St John's ...and the good news is many of the activities are free.

We aim to provide opportunities during their time throughout our school for your children to do many of the things that are on the list, but perhaps you'd like to have a go at doing some at home?

We are sure you could tick lots off already and you probably have your own ideas that you could add to the list too.

If you would like to bring any photos or objects from your adventures, then please do. We will be starting a display in the school. Alternatively, you could share photos on your Class Dojo site.

Have fun!
