## Statement

Schools can have a major influence on the attitudes of society and of those we educate. We are in a powerful position to bring about change for the good. We aim to give confidence and promote awareness of the valuable contributions of all members of our society. Within the philosophy of the school it is recognized that all children are entitled to full access to the curriculum regardless of any of the nine protected characteristics.

St John's C of E VC Infants School supports the aims of the Public Sector Equality Duty 2010, which are to:

1. Eliminate unlawful discrimination, harassment and victimisation
2. Advance equality of opportunity between people who share a characteristic and those who do not
3. Foster good relations between people who share a characteristic and those who do not

St John's C of E VC Infants School welcomes the inclusive principles and requirements of the legislative equalities duties pertaining to Disability, Gender and Community Cohesion. We are committed to promoting equal opportunities and combating discrimination for all members of our school community by:

- All learners are of equal value
- We recognise and respect difference
- We foster positive attitudes and relationships, and a shared sense of cohesion and belonging.
- We observe good equalities practice in staff recruitment, retention and development
- We aim to reduce and remove inequalities and barriers that already exist
- We consult and involve widely · Society as a whole should benefit
- We base our practices on sound evidence
