Dear Parents/Carers

I thought it was appropriate to give you an update on what has been happening at school and what may happen next. Since the start of Lockdown, many of our staff have been in school supporting some of our Key Worker and Vulnerable children, as well as supporting with Home Learning.

The Prime Minister announced on Sunday 10th May that there may be a **possible** phased return of EYFS, Year One and Year Six children back into school from the first of June, **but only if it is safe to do so.**

We are currently waiting on guidance from the Government and from Somerset County Council as to how this will look and how this can be managed safely for all children and staff.

When Governors and I have more information and have a clear plan moving forward, we will be in contact.

In the meantime, we would ask for your support and patience as we continue to navigate our way back to normality.

Stay safe and well

Very best wishes to all our families

Wendy Turner
